

NATIONAL ASSOCIATION OF
Community Health Centers, Inc.

2010 TRAINING

Maximizing Revenue and 3rd Party Reimbursement In Health Centers

Register and Reserve Your Place!

Maximizing Revenue and Reimbursement is offered by the National Association of Community Health Centers (NACHC) to help educate key staff in the unique and complicated reimbursement systems available to FQHCs and health centers. This seminar provides tools and techniques that will support your efforts to ensure that billing and collections procedures result in acquiring all revenues due for services provided in your health centers.

This comprehensive two-day training is designed to help participants:

- Learn critical steps to establishing effective billing and collections systems.
- Provide management reports that allow optimal oversight and cash flow.
- Formulate recommendations on how to improve operations.
- Improve operations to maximize revenue.
- Understand cost-based reimbursement.

Health centers often serve patients at multiple sites, including new sites. The Maximizing Revenue and 3rd Party Reimbursement in Health Centers training can also assist health centers that are confused about how to have new sites licensed, deemed under the FTCA, and added to their 330 scope of project. The basic guidelines of what can be billed, to which payers, and how much the health center can expect to be paid will also be covered.

Presenters:

Curtis Degenfelder, *Managing Director, RSM McGladrey, Santa Monica, CA*

Michael R. Taylor, *President, Precision Resources, Inc., Hartford, CT*

Ray Jorgensen, *President and CEO, PMG, Inc.*
