DEGREE PROGRAM:

Masters (MPH, MHA, MHS)

Associate of Science in Allied Health Science

Nurse Practitioner

Bachelor's _____

DDS

Physician Assistant

MD, DO

Other _____

BENEFITS INCLUDE:

Advocacy – Action Alerts, updates on both federal and state legislative issues, NACHC Policy Papers, Washington Updates, and CMS regulatory issues. This service helps to expand our base of advocates, educate students to the issues affecting health care, and it will grow the organization by recognition of name, purpose, goals, etc.

Education – NACHC will provide print and online subscriptions like the Weekly Washington Updates, NACHC Newsletters, NACHC Daily Newswires, the NACHC E-Link, Press Releases and Research.

Employment Opportunities – Find jobs and/or internships within HealthCorps and NACHC. Gain access to a searchable database of medical and dental student rotations and other opportunities at our "Career Center" located on the NACHC website.
