| Masters in Health Administration (MHA) | <input type="checkbox"/> | Associate of Science in Allied Health Science | <input type="checkbox"/> |
| Masters of Health Science (MHS)        | <input type="checkbox"/> | Other _____                                   | <input type="checkbox"/> |

**BENEFITS INCLUDE:**

**Advocacy** – Action Alerts, updates on both federal and state legislative issues, NACHC Policy Papers, Washington Updates, and CMS regulatory issues. This service helps to expand our base of advocates, educate students to the issues affecting health care, and it will grow the organization by recognition of name, purpose, goals, etc.

**Education** – NACHC will provide print and online subscriptions like the Community Health Forum Magazines, Weekly Washington Updates, Newsletters, NACHC Daily Newswire, the NACHC E-Link, Press Releases and Research.

**Trainings & Conferences** – Discounted registration fees to medical conferences and NACHC conferences and trainings. Eligible for scholarships and grants to attend national conferences.

**Employment Opportunities** – Find jobs and/or internships within HealthCorps and NACHC. Gain access to a searchable database of medical and dental student rotations and other opportunities at our “Career Center” located on the NACHC website.
