

Chart 3: State Medicaid Outstationing Compliance as of August 2005

Fully Compliant: outstationed workers in every health center and every high volume site, paid for by the state.	Mostly Compliant: outstationed workers in some health centers and some sites, paid for by the state.	Partially Compliant: outstationed workers in some health centers and some sites, paid some by the state and some by the health center.	Non-Compliant: no outstationed workers in any health centers or sites that are paid for by the state; if there are workers at centers, they are paid for entirely with health center dollars.
